

NOTICE TO RFPEW CANDIDATES

The RFPEW candidate should request a sea service letter from each ship he or she sails on. The letter(s) will be submitted to the Coast Guard along with the RFPEW assessment control sheets. The following is a sample letter:

SAMPLE LETTER

**Matson Navigation Company
555 12th Street
Oakland, CA 94607**

STCW-95 Rating Forming Part of an Engineering Watch

January 1, 2015

To Whom It May Concern:

David Kalakaua served as a Wiper aboard the MV Manukai from May 14, 2014 to December 4, 2014.

His seagoing service aboard the vessel included training and experience associated with engine room watch keeping functions and involved the performance of duties carried out under the supervision of qualified engineer officers.
